"The Radio Players Show"
Broadcast Programme
Sundays 8:00 pm to 8:30 pm EST**

Remember the good old days of radio—when people had to use their imaginations—when the mind was a stage?

A man whose identity we never know has his face altered to look like Humphrey Bogart and is involved in a Maltese Falcon-type caper—like the old days when there were causes and dames and flags worth fighting for.

"The Man With Bogart's Face" is a loving tribute to the genre of hard-boiled detectives of the 1940s and the Hollywood movies that glorified their derring-do.
